Attachments: ImportationofTreatedSeedsTreatedArticles Exemption.docx

Is this okay to continue to share the timeline? I am continuing to add to it with materials I got from Tom recently, and moved my analysis over to an updated version of the Options paper, which still needs a lot of work.

Subject: forwarding OECA's paper

Robin – Would you mind forwarding your paper on treated articles to Quinn and Sue, so they have the latest in prep for the discussion tomorrow? Also, making the links available to them?
